MULTIPLE INTELLIGENCES Parent Workshop

Nov 26, 2022 Saturday *10am -11am*

Bethel Chinese Christian MB Church

(3215 School Ave., Vancouver)

Do you want your kid to enjoy the process of learning and be smart? This coming parent workshop series will help you explore and understand the potential of children's nine distinct intelligences: bodily-kinesthetic, verbal-linguistic, logical-mathematical, musical, visual-spatial, naturalist, interpersonal, intrapersonal, and existential. By learning them, you can help your child(ren) to develop their strengths in each intelligence which enable them to experience the joy of learning and even success in it. The workshop will include practical multiple-intelligences exercises.

This free workshop is in Cantonese.
Registration deadline is Nov. 19. For registration and enquiry, please contact Tommy or Alice @604-434-8227 or email to Chinese School: chinese.school@bethelmb.org
