The Praying "Mother to be"

Passage: 1 Sam 1:6 ~ 18

1. Solely counting on God's mighty power

2. Genuinely pouring out one's soul to God

3. Faithfully looking up to God

Prayer Items:

1. Thanksgiving to God for our mothers in the church as they care for their own family and raise their children in God's Grace. Pray that the Lord will bless our mothers with a wonderful spiritual life in cultivating their children to grow in truth. And may God empower them in overcoming various difficulties by relying on His strength.

2. Pray for the recent increase of gang shooting in the Greater Vancouver region. Pray for peace from the Lord in our everyday living and pray that He will give wisdom to our government and law enforcing officers to protect the safety of the general public and stop the spread of crime.
